### Parent-teacher meetings

Parent-teacher meetings for classes MS to CM2 will be held **from Monday 18th November to Thursday 21st November inclusive**, depending on the availability of the teachers (class teacher, English teacher, reinforced Thai teacher, FLE teacher). They take place exclusively at the school (no Google Meet). Each interview lasts 20 minutes in maternelle and 15 minutes in elementary.

The pdf files give you an overview of the availability of your child's teachers, so that you can try to group the appointments into one visit to the school. You can register via the We Join In link for each teacher from Wednesday 6th November to Thursday 14th November.

When you come for your appointment, you must sign the attendance sheet at reception.

Some additional information:

- appointments for Thai are reserved for reinforced Thai students
- appointments with the language teacher in Maternelle are made with the teacher of the language the child is learning (no appointment for the language discovered in bain de langue)

### National day against bullying at school

**Thursday 7th November** is Anti-Bullying Day at school. Activities take place throughout the year, but to mark the beginning of the school year, we are inviting children to dress in blue on Thursday.

An information meeting on the pHARe protocol implemented at the start of the new school year will be held for families at 5pm by videoconference.

### Loy Krathong

We will be celebrating Loy Krathong at school on **Friday 15th November**. The maternelle and elementary Thai teaching teams will send you a more detailed programme by e-mail a few days beforehand.

### Semaine des Lycées Français du Monde

The LFIB is taking part in the 8th Semaine des lycées Français du Monde **from 25th November to 29th November** on the theme: **"Francophonie: schools create and innovate"**.

This theme will also be explored throughout the year through actions and projects carried out in classes from CP to CM2, or in events such as Ambassadeurs Ambassadrices en Herbe.

## REMINDERS

### Conseil d'école

The first Conseil d'Ecole of the 2024-2025 school year will be held **on Monday 11th November at 5pm** at the school.

### Presentation of the school canteen

**On Thursday 14th November**, we are inviting parents to a presentation and discussion on school canteen services, followed by a tour of the canteen where you can taste the dishes served to pupils that lunchtime.

### Pollution action protocol

We would like to draw the attention of new families to the LFIB Pollution Action Plan.

In the event of a pollution peak, this plan is activated and has immediate consequences for your children's school life: indoor recess, outdoor recess for pupils wearing masks, cancellation of outdoor sports sessions, etc.

It is essential that each pupil has PM 2.5 pollution masks in his or her bag (a model of your choice; LFIB does not provide masks for pupils) from November so that they can continue to play outside with masks if the threshold allows.
