Conseil d'école

The 1st Conseil d'école met on Monday 11th November 2024. The minutes are available on the LFIB website. It is also posted at the school welcoming area.

AES open week

The AES are holding an open week from 16th to 20th December. Parents can attend one or more of their child's sessions. It's also an opportunity to discover activities that might be of interest to your children in the second semester, which starts on 3rd March 2025 (NB: registrations will open at the end of January).

To register for the Open Week, [click here](#).

French Schools in the world week

The 2024 edition of the Semaine des Lycées Français du Monde took place **from 25th to 29th November** on the theme of **'La Francophonie: creativity and innovation in our schools'**. Many projects celebrated the richness and diversity of French-speaking cultures, while highlighting their spirit of innovation.

On the **'News'** page of the LFIB website, you can find out about all the events organised to mark the occasion. You can also find out about the many different projects taking place at the school throughout the year. You can easily follow our news by subscribing to our [Facebook](#) and [Instagram](#) pages.

ProZap Football U11 in Hanoi

A delegation of 9 pupils from CM1 and CM2, and one from 6e, are in Hanoi from 2nd to 6th December to represent the LFIB at the U11 ProZap Football, otherwise known as the U11 Asian Pacific Football Cup.

Despite the distance, we'd like to offer them all our support, wish them a fantastic time and hope they have great success!

Su Su Bangkok!

End of year festivities

The next events to mark in your diaries are :

- Winter Week **from 13th to 18th December**, with the Winter Fair on Friday 13th December for pupils from CP to CM2, a visit from Santa Claus on **Tuesday 17th December** and carol singing by classes from CP to CM2 on **Wednesday 18th December**.

Children are invited to wear winter-coloured clothing (green/red/gold/blue, etc.) on these days.

- the maternelle choir and art exhibition, followed by a big picnic, on **Thursday 19th December!**

La Petite Librairie Solidaire will be on site to sell second-hand books in aid of local charities.

- Christmas lunch in the school restaurant (menu) on **Friday 20th December**.
- Volleyball Night open to all on the evening of **Friday 20th December**.

Pollution action protocol

At the moment, pollution levels are often high in the mornings. Therefore, in the event of a pollution peak, a specific plan is activated and has immediate consequences on your children's school life:

- Indoor recess,
- Outdoor recess only for students wearing a mask,
- Cancellation of outdoor sports activities, etc.

It is therefore essential that each student has PM 2.5 anti-pollution masks (model of your choice, as LFIB does not provide masks to students) in their bag. This will allow them to continue playing outside with a mask if pollution levels permit.
