Ambassadeurs Ambassadrices en Herbe

This year, the Lycée Français International de Bangkok is taking part in the 13th edition of Ambassadeurs Ambassadrices en Herbe, an AEFE-led global pilot project.

From elementary school through to high school, this project applies multilingual skills to international, cross-curricular issues of the day. Developed around real "oratory tournaments", the project is strongly focused on diversified oral practices.

This year, the question presented to students is: "La francophonie, a journey through time and space."

4 CM2 students, 4 students from 5e and 4e, and 6 students from 3e and 2nde will take part in the school final on Thursday 6th February. The 5 selected students will represent the LFIB at the Asia-Pacific Zone final from 26th - 28th March in Kuala Lumpur.

New FLSco teacher

Since 23th January, we have welcomed Mme Chloé Fabre, FLSco teacher. She takes over from Mme Maureen Vidal, who has left the school for a new professional and personal adventure. We wish Mme Vidal all the best, and welcome Mme Fabre!

Carnaval

Children are invited to come in costume that day, if they wish. Maternelle classes have been working on the theme "Cape ou pas cape?" (French idiom for "I dare you" using the word "cape" that also means "cloak"). We invite you to attend the costumed parade from PS to CM2.

Please note that this event runs from 8:15 to 8:30 a.m. only. To take part, you need to register via the Eventbrite website (link sent to families by email).

La Petite Librairie Solidaire

Meet the volunteers of La Petite Librairie Solidaire on Friday 14th February, before the Carnival parade, for a book sale in support of charities.
