LFIB Night

For several years now, the LFIB Night has been a special occasion for our community to come together in a friendly atmosphere to celebrate the talents of our students.

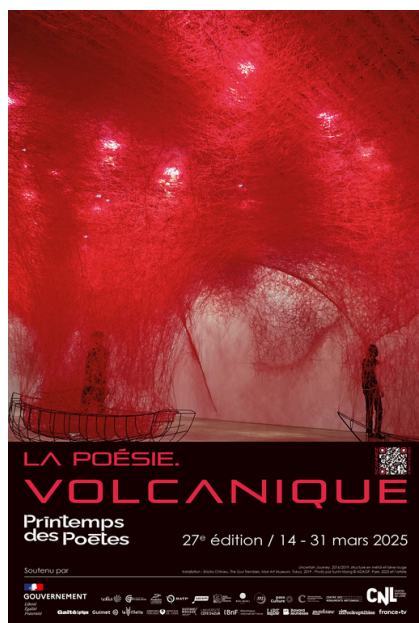

On **Saturday 15th March**, they will be putting on an exceptional show on a large stage set up in the heart of the school's stadium. You can also take part in the eco-delegates' "Swap" project.

Access to this event is free but subject to presentation of a ticket (1 ticket per participant will be required at the entrance). Book your tickets now ([click here](#)).

We hope to see many of you there to share this 18th edition of the LFIB Night together!
