**\*Important Notice: Additional Fuel Surcharge for Term 3/2025–2026**

Due to the global fuel situation, particularly the significant increase in diesel prices since mid-March 2026—it has become necessary for us to introduce a temporary additional fuel surcharge. An additional charge of THB 2,328 per student will be applied, based on the diesel price range of THB 45.01 – 46.00 per litre (this amount has already been included in the Term 3 fee, as outlined in the table above). Please refer to the Diesel Price Adjustment Mechanism as outlined below:

Diesel Price (B7) (Baht/Litre)	Extra Fuel Charge
32.01 – 45.00	-123 THB / Step
45.01 – 46.00	2,328
46.01 – 47.00	2,451
47.01 – 48.00	2,574
48.01 – 49.00	2,697
49.01 – 50.00	2,820
Etc.	Etc.

In addition, Montri will calculate the fuel cost based on the officially announced diesel (B7) prices (refer: [https://www.pttor.com/en/oil\\_price](https://www.pttor.com/en/oil_price)) throughout Term 3 of the 2025/2026 school year.

A reconciliation will be conducted at the end of Term 3 of the 2025/2026 school year, with the following conditions:

- If the average diesel price is lower than 45.01 Baht per litre (down to a minimum of 32.00 Baht per litre), the excess amount collected will be refunded to parents.
- Conversely, if the average diesel price exceeds 46.00 Baht per litre, an additional charge will be applied accordingly based on the same mechanism.
