A School Year Ending on a High Note of Success

As the summer holidays begin, the entire Lycée Français International de Bangkok community can take pride in everything that has been accomplished. The end of this academic year has been marked by numerous academic, sporting, cultural and civic achievements, reflecting the dynamism of our school and the commitment of all its staff.

Outstanding Academic Results

Once again, our students have proudly represented LFIB with distinction.

The **Diplôme National du Brevet (DNB)** achieved an outstanding 98.57% pass rate, with the vast majority of students earning honours.

Our Terminale students achieved a **100% pass rate in the French Baccalaureate**, further confirming the excellence of the educational support and guidance provided throughout their schooling at LFIB.

We extend our warmest congratulations to all our successful students and to the teaching and support staff whose dedication and guidance contributed to their achievements.

Sustainability in the Spotlight

LFIB continues to strengthen its commitment to sustainable development. The award of the EFE3D Level 3 certification recognises the commitment and work carried out over several years by our students, teachers and all members of staff in addressing environmental and citizenship issues.

This distinction reflects our school's determination to embed education for sustainable development at the very heart of teaching and learning, ensuring it remains a lasting and integral part of our educational approach.

The First Cohort to Complete the Brevet d'Initiation Aéronautique

This academic year will also be remembered for the launch of the first Brevet d'Initiation Aéronautique (BIA) session at LFIB. With **22 students passing out of 23 candidates**, including many who achieved honours, this new programme has proved to be a great success and opens up exciting new opportunities for our secondary students.

2026–2027 School Calendar

The [2026–2027 School Calendar](#) is published on the LFIB's website.

We would like to remind you of the importance of respecting the official school holiday dates. Leaving before the start of the holidays often means that children miss the special events and celebrations organised in the days leading up to each break. Regular school attendance plays an important role in your child's academic success.

Pronote Access

Access details and students' timetables will be communicated on Tuesday 1 September at the end of the day.

Back-to-School Parents' Meetings

Our Back-to-School Parents' Meetings will be held on **Saturday 12 September 2026**.

Thank you

Our heartfelt thanks go to our students, families, teachers, administrative, technical and student support staff, parent representatives, and all our partners for their continued commitment to the LFIB community.

We would also like to extend our very best wishes to the members of staff who will be leaving the school this summer to take up new appointments. We wish them every success in the next stage of their professional journey.

We wish you all a wonderful summer and look forward to welcoming you back at the start of the new school year for another year filled with exciting projects, achievements and new discoveries.

HAVE A LOVELY
SUMMER BREAK!
